The Home of the World Figure 8® is proud to welcome Dad's Truck & Auto as the new title sponsor of our premier class, the Late Models. The Speedrome Hall of Fame division is one of the most unique in the world with high-tech cars racing on the oval and dangerous Figure 8 each night. The 2010 season championship will also feature for the fourth straight year a \$10,000 top prize in the Chase for the Cup thanks to Dave Duncan & Dad's Truck & Auto. Past recipients include Jack Dossey Jr in 2007 & 2008 as well as reigning Late Model king Mark Tunny. The champion's amount is nearly unprecedented in a short track point fund.

This two-year deal with the trusted automotive superstore brings a strong supporter of racing into the mix with Dad's Truck & Auto owner Dave Duncan. "I look forward to returning to the Indianapolis Speedrome® and having some fun", exclaimed the new Late Model title sponsor. "I can't wait to watch the greatest short track drivers in the nation. I look for this to be a long-term mutually beneficial relationship with the Speedrome". Duncan continued, "I have always loved Figure 8 racing especially the World Figure 8® Championship".

Dad's Truck & Auto, located at 1611 East 226th Street in Cicero, is a family owned and operated business. They buy and sell all types of cars, motorcycles, and trucks as well as offering a spectacular full service body shop. The location also features a wide selection of parts in their massive automotive and motorcycle salvage yard. If they don't have what you need, it is probably not available. Stop by or give them a call at (317) 758-1130 or 800-299-6353.

Dave Duncan has filled most of his life with racing. His days as a driver saw him pilot the familiar #1 Modified to some of the biggest victories in the Midwest in the late 1980's and 1990's. Those trophies come from many tracks including five feature wins at the Speedrome (2 in 1994, 2 in 1999, and 1 in 2000). As a car owner, Dave guided veteran Joe Beaver to several championships with one coming in the inaugural 1992 North/South Figure 8 Challenge Series held in Florida. In most recent years, Duncan was the owner of the Kokomo Speedway.

Fans will see Dave apart of the action in this upcoming Speedrome season. On May 29, he will pace the field for the Night before the 500 Figure 8 with his amazingly cool Boss Hogg Harley Davidson. The bike features a big block Chevrolet engine that can reach nearly 190MPH. Dave will also be on the scene at the annual awards banquet held at Jonathan Byrd's on November 20. He will be presenting the Dad's Truck & Auto Cup to the 2010 Late Model champion.
